ABOUT ME

Digital native, passionate coder, cosmopolite and polyglot always looking for new life challenges! Constantly focused on further developing my current skills and learning new ones.

When not coding, I organise art and social events.

Currently looking for a role to dive deeper into tech as a web developer. In a thriving work environment, under the right mentorship, I see myself flourishing as a valuable team player.

HARD SKILLS

Ruby on Rails	Figma
JavaScript	Bootstrap
React	NPM/YARN
HTML5	i18next
CSS3/SCSS	GitHub
PostgreSQL	

EDUCATION

Mar 2022
Full-Stack Web Developer Bootcamp, at Le Wagon, Berlin
Ruby on Rails, JavaScript, HTML, CSS, PostgreSQL, Bootstrap, Figma

Dec 2021
German C1 course at GFBM
TEOFL Certificate of C1 Exam

2013 - 2016
Theological faculty at University of Ljubljana, Slovenia
University diploma of catholic theology

SOFT SKILLS

My communications skills are adaptable and I'm confident in collaborating with people from diverse backgrounds. My greatest strength lies in problem-solving: I creatively approach situations that arise.

LANGUAGES

- English - fluent
- German - fluent
- French - intermediate
- Croatian (BCMS) - native
- Slovenian - advanced
- Czech - pre-intermediate
